MIDLAND COLLEGE  
FOUNDATION

**A**bove: Club members (from left) Mark Singh, scholarship chairman; Dave Hoopman, president; and Richard Ervin, secretary/treasurer, present a check to MC President Dr. David Daniel (third from left). Since 1997, members of the Northside Lions Club have provided scholarship money for Midland College students. On March 23, club members donated \$2,000 to establish an endowed scholarship. The Northside Lions Club will give regular scholarship funds each year and at the same time contribute to the endowment. Singh said club members expect to contribute to the endowment for 10 years.

## A Dedication to State-of-the-Art

*Ceremony honors Molly Fox Parsley as students make use of new science building*

**H**undreds of students who study science at Midland College are now using the state-of-the-art laboratory facilities in the new Fox Science Building, which replace the college's 30-year-old science laboratories. **The Leona G. and John E. Fox Science Building** is named to honor the parents of the primary donor, Midlander **Molly Fox Parsley**. Included in the building is the **Joseph Ernest Daniel Lobby**, named to honor the late son of Dee Dee and Dr. David Daniel.

**“A**s a pre-med student, I feel this building will provide a first-rate education and the unique experiences students need to advance their education at Midland College. I appreciate your contribution that will further the educational possibilities for students across the community. You have inspired many of us to pursue careers in science.”

**Club ends year by giving \$18,573 to 18 agencies**

Members of the Midland College Students in Philanthropy Club — founded in 1997 by the Abell-Hanger Foundation and Midland College — completed a year of fundraising and grantmaking by awarding \$18,573 in grants to 18 Midland non-profit organizations.

**Vicki Jay** (pictured center, right) accepted an award for **Hospice of Midland** from SIP members **Lindsay** and **Brandon Chesser**. Since its inception, the SIP club has reviewed 246 grant applications, resulting in 132 grants funded for a total of \$146,963.

**Hilda Simmons Levitt contest continues to honor poets**

**Jacob Lindsey-Hicks** was named the grand award winner in the 17th Annual Hilda Simmons Levitt Poetry Contest this spring. He received the grand award and \$500 for the poem "Today I Rise, Today I Come Back." The Hilda Simmons Levitt Poetry Contest was established in 1988 by the late Stanley Levitt to honor his wife's memory and her love of poetry and Midland College. Mrs. Levitt, who studied under poet Robert Penn Warren at Louisiana State University, took creative writing classes at Midland College from 1979 until her death in 1986. The contest is now underwritten by Mrs. Levitt's daughter, **Carol Schwartz** (pictured left), who lives in Washington, D.C.

LEAVE A LEGACY®

Your Gift — Your Enduring Legacy!

Estate planning makes a great difference in the amount of money you pass on to loved ones and other beneficiaries, such as Midland College. Each year, friends of the college create legacies for themselves and their families through bequests to the Midland College Foundation. With careful planning, charitable deductions can create tax savings for the family estate. Tax-deductible donations can be made in the form of cash, stocks, real estate, excess retirement funds, life insurance, and other assets. As others have done, the Midland College Foundation may be named as a beneficiary in your will. To discuss your preferences, feel free to call Eileen Piwetz, Executive Director of the Midland College Foundation, at (432) 685-4526.
